Get excited about sharing your faith. If your heart is not open to the calling, pray for God to soften your heart and remove any barriers of insecurity, nervousness, or complacency that may be holding you back.

Pray for opportunities to share your faith.

“Father, use me today to draw someone closer to you. Put someone in my path that I can help.”

Walk in peace. The people of the world will see a difference. When they ask why, use the opportunity to share what you used to be like and how Jesus has changed your life.

Pray for a specific person and their heart.

“Father, please soften ‘s heart. Cause them to be hungry for you. Open their eyes to the good plans you have for them. Help me be a light to show them the way.”

Use the following guide as a launching point for your own personal evangelism journey.

SHARE CHRIST LOVE PEOPLE

You can do this! God has his people planted everywhere, but we need to turn our lights on. Live your life in front of people and don’t be fearful of saying you’re a Christian. Bring up God in every day conversation and pray daily for the people in your life who do not know Christ. Trust God and realize that sometimes it takes time investing in someone before they are ready to commit their life to Christ. If you step out boldly in faith, God will reward your efforts. We’ve been given a beautiful gift, and it is our honor to share that gift with a hurting world.
